

OCEANS '13 MTS/IEEE San Diego Motorcycle Sweepstake

What's a sure fire way of bringing more of the Oceans 2013 Attendees (undersea professionals, scientist and military) to your booth? How about the excitement created by the chance to win a brand new Harley Davidson motorcycle?

On September 26th at the Oceans 2013 Conference at the Town and Country Convention Center, a "free*" [2013 Harley-Davidson Iron 883 Sportster](#) will be awarded to one lucky Attendee who visits one or all of the Exhibitors participating in the event. At the registration desk, each Attendee will be given "passport" cards, one for each of the participating Exhibitors that are backing this event. The Attendee will then have the opportunity to visit-participating Exhibitors to place their card in a sealed enclosure. They can choose to visit just one or all to win. One hour prior to the closing of the event, the participating Exhibitors will provide their collected passports to the Oceans staff. Only passports collected from the enclosures will be accepted.

The passports will then be placed in a tumbler, where a lucky winner will be drawn on the last day of the Conference. Unfortunately, international winners are excluded from winning the motorcycle. They will be issued a \$5,000.00 award.

Why participate?

- The winner **MUST** be present to win! That means the majority of the attendees will stay at the Conference and in the Exhibit Hall through the last day!
- At the time of registration, each Attendee will be issued individual vendors passports. The passports will include the patron's logo and the attendee will visit one or all of the patron's booths to enter the contest.
- There are **ONLY 20 patron opportunities available** so this is a great way for your company to stand out!
- This is an excellent way to promote traffic at your booth.

The Exhibitors fee for participating is only \$1,500.00**. Included in this fee:

- Proceeds from the fee will be placed back in use to promote the event and the participating exhibitors.
- Local set-up of the motorcycle is included.
- A 4-color Participating Patron logo and booth number listed on the giveaway documentation distributed to all full conference attendees
- 4-color Participating Patron logo placed on carpet overlay in front of Patron's exhibit booth space indicating your company is a Harley sponsor
- Recognition on signage at Oceans 2013 event
- Recognition on the Oceans 2013 event website, printed preliminary event guide and printed on-site event guide
- Participating Exhibitors will be recognized prior to the drawing on Thursday afternoon.

The winning entry will be drawn on September 26th at 14:00.

**Due to US laws the winner must pay all taxes, licenses, transportation fee and document fees.*

***A contract must be signed and executed on or before the marketing material deadlines to be included.*
